CESA #3 SPEECH & LANGUAGE NETWORKING MEETING

Tuesday, October 30, 2012
Southwest WI Technical College – Room 493
12:00 – 5:00 p.m.

Highlights of this initial networking meeting include a DPI legal update addressing screening and RtI. We will discuss current speech and language practice issues in the public schools including the use of telespeech as a method of service delivery and the recent increase in the use of paraprofessionals in speech and language programs. An overview of Agenda 2017, the comprehensive plan for education reform, will be provided to highlight several important education initiatives and the timeline for implementation of those initiatives. *(Thormann, http://dpi.wi.gov/sped/slpst.html)*
