

**Professional Development Plan Overview
and Writing**

This program is specifically designed for the *first and second year educators*. Participants will be introduced to the PDP process and gain knowledge and information on what is needed for writing their PDP. Then they will begin the actual writing of the plan.

The new online tools/process required by DPI will also be covered.

Cost: \$15.00 for Curriculum Instruction and Assessment Department. \$30.00 for all other members
