Literacy Leaders within school districts and CESA 10 Reading Specialist will collaborate around common issues and concerns. These afterschool meetings will be held distance learning to support one another as we face common statewide initiatives. Teachers are welcome to bring issues to the table to brainstorm with the larger audience possible solutions. These sessions will be an excellent opportunity for teachers to learn from each other and to inform future planning within a collaborative climate.

Learning Outcomes:

1. Literacy Leaders will connect with and learn from one another sharing successes and pitfalls encountered while facing common initiatives.
2. Literacy Leaders will share resources that they have found valuable.
3. CESA 10 Reading Specialists would gain insight into the needs of Literacy Leaders across the consortium.
