

## Wisconsin Model Early Learning Standards Training Thursday, February 25<sup>th</sup> & Friday, February 26<sup>th</sup>, 2010 8:00a-5:00p

*The Wisconsin Model Early Learning Standards (WMELS) are derived from research in the domains of early learning and development and apply to all settings in which children receive care and education. These early learning standards are intended to align to Wisconsin's K-12 Model Academic Standards and to provide early learning opportunities that support children's success across environments and in the future.*

This course will include an overview of the contents and design of the Wisconsin Model Early Learning Standards and how to apply them within any early learning classroom setting.

Activities will emphasize:

- How to plan for the 'whole child' using the WMELS as a guide;
- How to plan for and implement developmentally appropriate activities with targeted objectives;
- How to assess children's growth and development using both informal and formal assessment strategies;
- Meet DPI Teacher License Standards 2, 3, 4, 5, 7, 8, 9 & 10
