

Common Core State Standards for ALL Learners

TWO DAY WORKSHOP GOALS.....

- How does Special Education fit into the RtI world?
- How can the CC Essential Elements be supported and addressed in an inclusive setting?
- How do I write an IEP goal that includes the CCSS?
- How can the foundations of UDL support collaboration among General Education and Special Education Teams?
- What strategies and methods are most effective in progress monitoring?
- How can I support student learning using assistive technology for Smarter Balanced Assessment?
- How does assistive technology drive differentiation?
