

Follow-up to: Best Practices in Adolescent Literacy: Reading and Writing in the Content Areas

(Viterbo Credit)

CESA #12 Conference Center

Friday, April 19, 2013

Registration: 8:30 – 9:00 AM

Training: 9:00 AM – 3:30 PM

Overview

The objectives for this training are to provide teachers with the opportunity to have a follow-up professional development opportunity with other teachers to review concepts of adolescent literacy, engage in collegial conversations focused on improving student learning, reflect on their current practice, and share their success and challenges implementing best literacy practices in their classroom. We will review best practice for core instruction and set the stage for Tier 1 and Tier 2 interventions as part of a school's Response to Intervention (RtI) framework.

Participants are asked to bring their copies of *Adolescent Literacy, Field Tested: Effective Solutions for Every Classroom* by Editors Sheri Parris, Douglas Fischer, & Kathy Headley. International Reading Association (2009) and *Improving Adolescent Literacy: Content Area Strategies at Work* by Douglas Fisher and Nancy Frey, Pearson (2008). Participants will receive additional resources at this workshop.
