

Science Notebooking

Teaching Science with Interactive Notebooks

March 12 & April 16, 2013

**CESA 10 Distance Learning
725 W Park Ave, Chippewa Falls**

4:00 PM—6:00 PM

K-8th Grade Science Teachers

Registration

All registrations are done electronically through the *MyQuickReg* System (<http://myquickreg.com>)

**Registration Deadline:
March 5, 2013**

This will be a blended learning opportunity. You will use Kellie Marcarelli's book and the two science consultants to learn about and start implementing some notebooking strategies into your science classroom. The class will be focused on your implementation of some of the notebooking strategies.

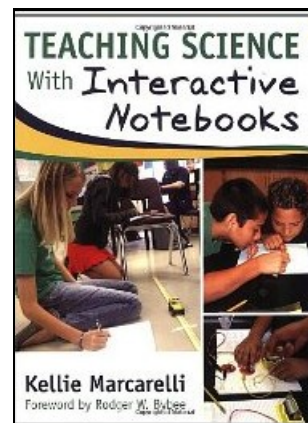

Learning Outcomes:

1. Understand how to set up a notebook for interactive learning in a science classroom.
2. Understand how to use a notebook during science investigations.
3. Understand how to use a notebook to promote learning through writing and discussion.

Material Cost (approximate):

- \$30.00 Paperback
- \$20.00 E-book

One credit option will be available through St. Mary's.
