Community Services Option (CSO) Guide
(Programs to serve 18-21 year old student with disabilities)
9:00-12:00

Is your district considering beginning an 18-21 year old program? Do you need ideas and plans to get started? Then this training is for you!

This training will assist in the beginning planning stages of starting an 18-21 year old program. These guides contain tools to assist local districts in assessing their needs, and develop transition-focused programs within a community-based environment to serve 18-21 year old students with disabilities. The Guides provide districts a step-by-step process to identify student need, analyze in school and community resources to determine goals, set priorities, and develop meaningful action plans.

Date/Location:

April 29, 2013-CESA #5-626 East Slifer Street, Portage, WI 53901

A New Way of Thinking
12:30-3:30

This training will provide educators with a guide to assist students in accepting their disability, combat Automatic Negative Thoughts (ANT's), and understand the importance of Transition Assessment, self-advocacy and self-determination skills for Transition Planning. The ANT's curriculum is intended to be used for students in middle school through high school. You will leave this training with ideas you can use in your classroom the following day.

The cost is \$15 and each person attending must register in two places!!!
