iPad Apps

http://cesaipad.wikispaces.com/

The iPad Apps class is for educators who want to know how to use the built-in Apps on your iPad. In this class, you will learn the following:

- Explore Safari, iBooks, Photos, FaceTime, Notes and other built-in iPad Apps
- Share some popular apps for education found in the App Store

January 16, 4:00 pm – 5:30 pm
