

CESA #3 Presents:

School Board Member Networking Meeting

- an opportunity to network with members of other School Boards

CESA #3 Board of Control Members invite all fellow School Board Members in our area to a special School Board Networking meeting. School boards face a vastly changed environment and unprecedented challenges as they try to adapt and respond to the 21st century context. What worked in the past, may not work today.

The Wisconsin Association of School Boards provides an array of services to support you as you work to navigate this new context. In this interactive session, **Deb Gurke, Director of Governance and Leadership Development** will review these services, with a focus on board governance and leadership development offerings.

Please join us for this networking opportunity.

What: CESA #3 School Board Member Networking Night

When: Tuesday, February 26, 2013, 7:00 p.m. (refreshments will be served)

Where: CESA #3 Office, 1300 Industrial Drive, Fennimore, WI

Why: School Board Networking is essential because:

- collaboration and cooperation are more important than ever for our public schools and communities
- almost everything we are involved in is changing, from employment rules to academic standards
- we can learn from each other
- it provides a forum for discovering new ways we might work together to keep our district viable
