About CESA 10

CESA 10 is a nonprofit educational agency providing statewide facilities management services to assist school districts and governments to reduce energy costs, practice sustainable initiatives, become energy efficient, and provide a safe and healthy environment for staff, students and community members. CESA 10 maintains facilities management offices in Chippewa Falls and Madison.

CESA 10 Energy Management Services assists districts in reducing facility energy use, through staff training and operational efficiency improvements.

CESA 10 Environmental Health and Safety Services assists school districts in providing a safe and healthy environment for students, staff, and visitors and ensure compliance with state and federal regulations.

Focus on Energy Services is designed to encourage energy efficiency and ensure the future supply of energy for Wisconsin.

“CESA 10 B&G meetings are a great place to learn about the latest information to help become more efficient in different buildings, and the collaboration amongst the different facility managers is priceless!”

Steve Lewis, Buildings and Ground Coordinator
Rice Lake Area School District
