SIMS is designed to manage the documentation of student needs and interventions for all students (at-risk, GT, ELL, etc.) in areas of behavior, academics, and attendance. SIMS incorporates critical features of RtI, including universal screening, high quality instruction, collaborative problem solving, and the use of data to make educational decisions.

CESA 6 is the place to start if your district is ready for SIMS

- Due to district demand, CESA 6 is pleased to announce a second SIMS User Training session for a district team of four on **March 2, 2010**. Session will begin at 8:00 a.m. and conclude at 4:00 p.m.
- Location:
West Bend School District – Board Room
735 South Main Street
West Bend, WI
- Your Team will need:
 - One administrator plus 3 teacher users

**Follow-Up Training
SIMS Content Builder Designee**

In addition to the SIMS User Training, participating districts will access the required training for the Content Builder to learn how to use “builder tools” for SIMS features and customize the program to meet local needs. This training comes with the overall cost of the Users Training.

Time: (2 hours) TBD

Date #1: March 17th 2010

Date #2: April 30th 2010

Both dates are required for full training.

Location: Webinars and registration will be provided through CESA 6

**Follow-Up Training
SIMS Local Systems Administrator Designee**

In addition to the SIMS User Training, participating districts will also access the required training for the Local System Administrator to learn how to interface SIMS with the local student information management system. This training comes with the overall cost of the Users Training.

Time: (2 hours) 1:00 – 3:00 pm

Date #1: December 10, 2009

Date #2: February 10, 2010

Both dates are required for full training.

Location: Webinars and registration will be provided through CESA 6
