Thinking of creating a website? *Google Sites* is a free and easy way to create and share webpages. Learn more at this hands-on workshop! Prior to the conference, please create a Google Account if you do not already have one: <http://gmail.com/>

Bring a laptop or Chromebook and get started on your own site!

You will learn how to:

- Create your own Google Site
- Use basic editing skills
- Change page templates
- Create a hyperlink
- Use the site for different purposes
- Collaborate and share your site

8:00-8:30 Breakfast/Networking

8:30-11:30 Training
