for pricing information and dates.

Restraint and Seclusion in Public Schools Updates

Wisconsin passed a Seclusion and Restraint Law effective September 1, 2012. The legislation requires all Wisconsin public school employees that use physical restraint be trained in the safe use of restraint. In Wisconsin & CESA #4, the program that meets the requirements of the law is CPI's (Crisis Prevention Institute) Nonviolent Crisis Intervention Training. For more information on this law go to:

<http://docs.legis.wisconsin.gov/2011/related/acts/125>
