

# iPads & Switches for Special Education

**“Did you know that most people use less than 20% of the iPad’s capabilities?” Well then, this workshop is for you!**

This workshop will cover everything from iPad settings, built-in apps, accessibility features and reading/writing apps. Various switch interfaces, switches and applications that allow for switch accessibility will be demonstrated. Special extras will be included throughout the day. There will be time to share and experiment with a variety of these apps as well as trouble-shooting any problems you may be experiencing with using your iPad.
