CESA#7 Curriculum Companion and Curriculum Companion Updates

Eclipse and Curriculum Companion Customers:
CESA 7 is hosting the annual Eclipse/Curriculum Companion User Meeting at CESA 3 on
March 25. This will take place during the afternoon portion of the SID meeting.

Our agenda for this meeting is:
•   Update all customers on the new enhancements that are available in Curriculum Companion
o   Follett Partnership – resources aligned to all CC Inquiry Modules for ELA
o   Southwest Pains – activities for ALL standards in Math and ELA – aligned to the CC Inquiry Modules
o   Assessments aligned to CC Inquiry Modules – available from Riverside Publishing
o   SBAC Sample Assessment Items
o   Other

•   Presentation of Curriculum Companion + this new open architecture software option within Curriculum Companion that allows districts to enter their district curriculum. This option includes functionality that allows districts to add curriculum content for all subject areas; units, standards, assessments, resources, lesson plans, etc.

•   We have created a program that will migrate most of the Eclipse data into Curriculum Companion +. We will discuss implementation options for Eclipse customers.

•   Question and Answer – suggestions for enhancements to these curriculum software products.

We will begin at 12:30 and continue until about 3:00.

If there are adjustments to this agenda, we will provide an updated copy at the beginning of the March 25 SID Meeting.
