## Informed Assessment for Math Teaching

### Course 1

July 22-25, 2013 • 4 Day Training

### Instructor: Jackie Amato

Jackie is a Math Recovery: Leader, Champion, and Intervention Specialist. She has served on the US Math Recovery Council Board of Directors and brings 23 years of teaching experience. Jackie is currently a K-5 Math Coach Leader for the Menasha Joint School District.

### Description

Add+VantageMR (AVMR) is a unique approach to professional development, assessment and teaching in mathematics. The AVMR program is designed to provide teachers with efficient and effective assessment tools to recognize their students' current understanding of number concepts, and to support data-driven instruction.

### Workshop Objectives

- Teachers will learn to use effective assessments that reveal students' true conceptual understanding and level of proficiency with computation and number sense.
- Teachers will practice informed assessment techniques and develop processes for incorporating these practices into your instruction.
- Teachers will apply teaching strategies to guide development of mathematical reasoning.
- Teachers will utilize current resources to address learning needs of students.

### Who should attend?

- Elementary (K-5) classroom teachers, administrators
- Elementary Title I teachers
- Elementary special education teachers

**Note: Title I and/or Title II funds could be used for this training.**
