

2013-2014 Wisconsin S² M. A. R. T. Coach Academy

Purpose: Build sustainable internal capacity for continuous school improvement by certifying S.M.A.R.T. trainers and coaches from CESAs, other organizations, and Wisconsin school districts.

Format: Over the course of the year, up to 60 participants (30 in concurrent Academies in Wausau and the Madison area) will learn how to coach teams in the proven-effective and data-driven S.M.A.R.T. Improvement Process. Your Academy team members will be supported by a personal Master S.M.A.R.T. Coach throughout the year as they work with a real school-based team. Reflecting best practice in professional learning, the Academies include 8 days of training, 4 team coaching sessions, 4 virtual symposia, and a dedicated online collaborative space.

Benefits: Each of your Academy team members will receive two books, PowerPoints, instructor guides, participant manuals, and one style inventory. They will have access to all updated tools, training modules, videos, and other support resources for a period of two years, and will join a growing community of Academy graduates. Finally, your organization will have a license to use materials and templates for the two year period.

Cost: \$3200 per participant + \$500 license fee per organization or district. Due to the design of the Academy, your Academy team must include two or more members to build internal capacity. The license fee is waived for teams of 3 or more.

For details about these Academies: Contact **Kiett Takkunen** via 608-628-2797 or ktakkunen@qldlearning.com
