

PBIS Tier 2 Training

S100, S200, S300, S400

Objectives

- Understand the essential components of positive support systems that provide behavior supports to targeted groups of students:
- Realign student support systems including examination of student service roles
- Develop data rules to access intervention, progress monitor intervention, and fidelity of intervention
- Create a continuum of intervention support from generic group-based interventions to high intensity intervention
- Understand early use of functional behavioral assessment and intervention development

Target Audience

Building-level Tier 2 team that includes: Building administrator, external and internal coaches, regular education representatives, special education representative, social worker and/or psychologist.

Target group size: six members.

Prerequisite

- Fidelity score on Self-assessment Survey and Benchmarks of Quality, or SET
- Team attendance at U300-Tier 1, Day 3
- Completion of Tier 2 Readiness Checklist
- Attendance at Tier 2/3 Administrative Overview
