

## NEW TEAM MEMBER TRAINING

### CESA #12 Conference Center 10/14/13

### Registration: 8:30 AM Training 9:00 AM—3:30 PM

#### Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. This is a one-day training for new team members moving onto existing PBIS Universal Teams. The training will focus on giving new team members foundational understanding of the role of the team, how the universal expectation matrix is developed and refined, how data is collected and analyzed, how the acknowledgment system is intended to work and what system data is reviewed. Participants will have work time utilizing their own building artifacts to review the training points with their own material and identify places for growth.
