

Integrated Networking Session 2 & Technical Assistance Session 2: TEAMING WITHIN INTEGRATED SYSTEMS

Dave Kunelius, Sarah Nelson and Jennifer Grenke

Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support

Description:

Developing an enduring and **integrated system of supports** requires planning with a framework in mind. The Wisconsin Rtl Center and Wisconsin PBIS network technical assistance coordinators will facilitate a series of interactive half-day sessions that support implementation of an integrated PBIS/Rtl System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

Who Should Attend:

Curriculum and Instruction Directors, Special Education Directors, Pupil Service Directors, and or principals along with Rtl coordinators, PBIS and content area coaches and educator leaders committed to implementing an integrated multi-level system of support that addresses behavior and academics.

Session Two Outcomes:

- Identify the need for integrated team structures
- Analyze existing team structures for potential integration of behavior and academics
- Understand and identify the “necessary conversations” of integrated teams at each level of support
- Develop an action plan for integrated teaming
- Identify strategies, tools and resources to use back at your site
- Continue to develop schools’ implementation of multi-level systems of support

Registration Fee(s):
