

This event is presented by the CESA 6 Technology Solutions Center

Augmentative and Alternative Communication (AAC)

So Many Options!

November 5, 2013 Presenter:

Presenter: Paula Walser
CESA 6 Director of E-Learning

Description:

This workshop is designed for speech and language pathologists working with student's who would benefit from augmentative and alternative communication (AAC). A "feature match" assessment framework will be used to assist workshop participants in selecting and using apps for augmentative and alternative communication with their students. A continuum of apps from single message, scheduling apps to dynamic display apps will be demonstrated. Participants will have access to a website of resources specific to augmentative and alternative communication and the world of apps. Please note: iOS apps only (no android apps will be demonstrated or discussed)

Workshop Objectives:

- Identify app features required of target students
- Select, install and use AAC apps for individual students
- Identify an array of possible apps for a target set of user skills

Who should attend?

Special Educators and Speech and Language Pathologists
