District Special: \$100.00 for the whole series if paid by PO.

May be billed for the 2012-2013 OR 2013-2014 school year

Benefits:

- Improve your knowledge and skills in working with students
- No sub or time out of classrooms
- Completed online
- Work at your own pace
- Receive a certificate of completion
- Sessions are approved by WEA Academy for ESP Level I Certificate, would be considered in an ESP Level II Certificate Application

Courses Offered in the Series:

Special Education Basics

Receive an overview of special education services and your role as a paraprofessional in these areas.

Instructional Strategies in Basic Skills for Paraprofessionals

Go back to the basics in Math, Reading, and Technology. This is a great refresher for anyone who has been out of school for a while and/or would like an update on teaching strategies being used in the classroom.

Communication

Enhance your professional communication skills with students, teachers, colleagues, administrators, and parents and speak with other paraprofessionals about how they communicate effectively and confidentially within their district.

Behaviors

Learn more about student behavior and how to be proactive in preventing behavior situations as well as what to do if and when they do occur.
