

2013-2014

Integrated Networking and Technical Assistance

Interactive half-day sessions designed for districts and schools to further develop their behavioral and academic multi-level systems of support

Who Should Attend

School-level leaders such as...

- Principals
- Math and Reading Specialists
- Student services/Special education teachers
- Rtl Coordinators
- Internal and External PBIS Coaches

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin Rtl Center and Wisconsin PBIS Network Technical Assistance Coordinators will facilitate a series of interactive sessions that support implementation of an integrated PBIS/Rtl system. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

Outcomes

- Connect stakeholders
- Encourage collaborative learning about a multi-level system of support
- Investigate strategies to Rtl/PBIS
- Further develop your school's implementation of Rtl/PBIS
- Gather resources to take back to your school
- Model processes to take back to your school
- Discuss technical and adaptive changes

What to Bring

- SIR/SAS/BOQ data or login information
- School Action/Improvement Plan

\$50.00 per session includes materials and LUNCH served at 11:00am

Course credit will be available once an additional registration and tuition payment is submitted on or before the end of the first session. Attendance is required at all four sessions. More details to follow.
