Description

- Looking to differentiate instruction for your English language learners by using the iPad?
- Trying to determine which apps are most beneficial for English language acquisition?
- Needing the time to see apps in action?
- Wanting to find FREE apps?

The iPad provides great possibilities and opportunities for ELs. In this workshop, we will discover why the iPad is one device that works well with ELs, spend time exploring apps for K-12 ELs at all English Proficiency Levels, and build a bank of iPad resources. Participants are encouraged to bring an iPad to use during the workshop session.

Workshop Objectives

- Understand how to support English language acquisition by using iPads.
- Build a “bank” of iPad resources to meet the unique needs of your ELs.
- Receive “hands-on” instruction of language apps for ELs.
- Prepare to implement using the iPad with ELs.

Who should attend?

- K-12 mainstream teachers of ELs, K-12 ESL teachers and content team teachers, EL paraprofessionals and/or bilingual aides.
