Want to learn about the various features of Google?

*Google* has free and easy ways to create and share webpages, documents, links, and more. Learn more at this hands-on workshop! Prior to the conference, please create a Google Account if you do not already have one:

<http://gmail.com/>

Bring a laptop or Chromebook and get started on your own site! You will learn about:

- Google Calendar
- Clouds
- Shrinking Google Docs
- Create a hyperlink to Google Docs
- Google Plus
- Website creation
