

CHROMEBOOK

Join CESA 5 for a day long “crash course” in using Chromebooks to TRANSFORM your classroom. You know your school’s getting them ... so here’s your chance to spend a day learning hands-on from the experts. By the end of the day, you will understand and be capable of using a Chromebook to:

- * Engage students in discovery learning with technology
- * Understand and utilize APPS and EXTENSIONS within Chrome
- * Experience the necessary shift in PEDAGOGY which comes with computers in the classroom
- * Manage your new digital WORKFLOW in a PAPERLESS classroom
- * Master basic TROUBLESHOOTING techniques
