

“Aligning Curriculum to the Common Core State Standards”

Dates: **Monday, July 22 – Friday, August 9, 2013**

This is a blended learning course. (It will be meeting face/face and online.)

'The real process of education should be the process of learning to think through the application of real problems.' John Dewey

Description:

The Common Core State Standards (CCSS) are the first step in providing our young people with a high-quality education. It should be clear to every student, parent, and teacher what the standards of success are in every PK – 12 classroom. Join us in learning more about the CCSS, Revised CTE Academic Standards, Disciplinary Literacy, Technology Tools, and Strategies for Writing Curriculum. Special focus will be placed on using the “Build Your Own Curriculum” (BYOC) software. However, you are not required to use BYOC.

Participants will develop an “Individualized Learning Plan” during the first class meeting and then work independently to complete their assignments. You will have 3 weeks to complete the writing of at least one course or core discipline curriculum. Participants will meet in person with the instructor at pre-determined times and as a large group, we will meet online once per week using “GoToMeeting”. ☺

The course will be facilitated by Pamela Hilleshiem-Setz, Ph.D. of CESA 5 and other guest presenters.
Sponsored by the CESA 5 School-to-Work Department

All PK – 12 educators are invited to participate!

**Our first and only large group face-face meeting will be on Monday July 22 @ 9:00-3:00 (location to be determined).
If you are unable to make this meeting...another meeting time will be arranged with you.
Bring a laptop to this meeting.**

Questions? Contact Pamela Hilleshiem Setz, Ph.D. : hilleshiemp@cesa5.org / 608-745-5480

Wisconsin Standards Addressed: Teacher: 2, 4, 6, 10 / Administrator: 1, 2, 3 / Pupil Services: 1, 3
