PBIS Tier 1 Universal Training Day 3 for High School (UTA300)

October 17, 2013

Presenter: Michelle Polzin
PBIS Technical Assistance Coordinator

Description

- Participants will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and self-assess current implementation with fidelity measures and action plan around identified needs. In addition, participants will be introduced to PBIS Classroom Management Modules and begin to plan for connecting classroom implementation to the School-wide PBIS system.

Workshop Objectives

- Understand the essential components of school-wide positive support systems that provide behavior supports to all students. Plan implementation through development of systems, data and practice. Plan for stakeholder buy-in, implementation and sustainability. Receive technical assistance from PBIS network in developing and planning for implementation of classroom and school-wide systems.

Who should attend?
