4K, K, and 1st Grade Workshops

PRESENTER: Judy Menard, CESA 8
Literacy/Intervention Specialist

Description

PALS-Wisconsin's new Pre-K and 1st grade screener will be explored in-depth at this training, including administering and scoring the assessment, as well as the support tools available to Wisconsin teachers. There will be an additional PALS K training offered for new Kindergarten teachers and as a refresher.

Workshop Objectives

Compare existing screening tools used in their districts to the subtests of PALS to determine redundancies and needs;

Learn how to use the results by exploring several interventions tied to PALS subtests.

Who should attend?

Title I and Special Ed. Teachers are encouraged to attend with their kindergarten colleagues.
