

# Trainings for ANY experience level!

- K-12 Educators
- Paraprofessionals
- Administrators

## Level: Beginner

### Diving into SMART Notebook™ 11

This introduction to SMART Notebook™ 11 software will get participants acquainted with this engaging classroom technology by exploring how the program works, the tips, tricks and tools needed to use and what utilizing this powerful tool can do for increasing student engagement and lesson interactivity. *This workshop is highly "hands-on" so please bring a USB drive and curricular materials to create a lesson or two for implementation.* No previous SMARTBoard experience necessary.

## Level: Advanced

### Get 'Em, Engage 'Em, Hook 'Em!

Increase your comfortability level with SMART Notebook™ 11 by exploring the Activity Builder Toolkit in-depth. Create professional-looking, engaging lessons with and for students. Learn how to embed webpages, video, utilize SMART tools such as SMART Recorder and Math Tools and teach students how to create their own activities to share with others. *There will be a large amount of workshop time to explore, experiment and create so please bring curricular materials and a USB drive to make-and-take!*
