

# Creating Student and Professional e-Folios with Google Sites

**Who Should Attend:** *K-12 Educators, Administrators and Tech Integration Leaders*

*Google Sites is a user-friendly powerful free tool for students to create and share their voice in a digital environment. Likewise, Google Sites make for professional-looking e-folios for educators. Learn the many features of Google Sites to create announcements or discussion spaces, showcase digitized work or collaborate on group/global project. What an amazing way to showcase the efforts and achievements of your students as well as yourself! Participants will leave with an e-folio, ready for inclusion of professional resources.*

**Prerequisite:** *Basic computer skills, Gmail account for Google Sites*

*(1) Graduate Credit through Viterbo University will be available for this workshop upon receipt of additional registration and tuition payment of \$200.00 the day of the workshop*

**Cost:** *\$150.00 per person per session (includes materials, light breakfast and lunch)*
