In addition to hosting the quarterly meetings where district technology leaders and coordinators will connect and share best practices, our Educational Technology team will ensure network members are kept current on federal and DPI updates, supported for all technologies related to WISEdash and Educator Effectiveness models, informed on policies and procedures when implementing 1:1 initiatives vs. bring-your-own-device (BYOD) and provided assistance in developing effective district technology plans.

THAT'S NOT ALL...

- Exclusive access to the CESA #4 Collaborative EdTech Portal !(currently under construction)
- Taste of Technology Education Fair attendance for all network members!
- Access to a variety of CESA-owned devices such as GPS devices and flip cameras for technology endeavors
- Possible discounts on many district-wide subscriptions and licenses such as TechSmith videocasting, EduVision video subscriptions, etc.
- (1) day of in-district support for administrative of technology staff on vision or implementation of tech infusion
- Quarterly webinars from ASCD, ISTE and CoSN on best practice and most innovative and practical trends for technology integration
- Leadership opportunities for effective and purposeful embedding 21sts Century skills and ISTE NETS for Students, Teachers, Administration and Coaches
