*Explore the basics of Apple's iPad in one of our most popular workshops!*

Participants will learn about the unique functions and features of the device as well as a variety of apps. Selected apps will be highlighted that support everyday teaching and learning. We will share practical ideas on how to use the iPad to improve connections, communication and creation.

# iPad Basics for Education

**CESA #4**

- **\$150.00 covers materials, light breakfast and lunch**
