

2013-2014 School Psychologist Network

December 9, February 10, March 19, May 15 ● 8:30 a.m. - 12:00 p.m.

Description:

December 9, 2013: Response to Intervention FAQ's

John Humphries, Johanna Chenous, and Tiffany Helmke will lead a discussion about implementation of the Wisconsin SLD rule and using RtI to make decisions about special education eligibility. They will share the nuts and bolts of implementation from the perspectives of both director of pupil services and school psychologists.

Presenters: John Humphries is a school psychologist and director of pupil services in the Dodgeville School District. He was the DPI consultant for school psychology for seven years and was co-author of PI 11.36(6). Johanna Chenous and Tiffany Helmke are school psychologists in the Dodgeville School District.

February 10, 2014: Essential Statistics and Measurement Knowledge in the Age of RtI Implementation, Student Learning Objectives and School Report Cards

Dr. Dan Hyson will delve further into the stats and measurement skills necessary for RtI implementation, including the ability to evaluate the psychometrics of screening and progress monitoring tools and to identify and evaluate research-based interventions, including using rate of progress to evaluate intervention effectiveness. That foundational knowledge will also build capacity for school psychologists to assist in writing SLO's and interpreting school report cards. (Network participants may identify ongoing questions on December 9th to guide Dr. Hyson's presentation.)

Presenter: As the Data Management Coordinator for the Hiawatha Valley Education District in Winona, MN, Dr. Dan Hyson manages an online data warehouse and consults with individuals and teams to help them access, interpret and use student performance data to drive instruction and set school improvement goals.

March 19, 2014: Autism Spectrum Disorders

Korah Petrasko will share her first person account of Asperger's Syndrome. Her experiences provide valuable insight for school staff working with students with autism spectrum disorders and their families. Ellen Franzone will share information on evidence-based practices for children and youth with ASD.

Presenters: Korah Petrasko is an instructional assistant working with students with emotional and behavioral disabilities. She was recently diagnosed with Asperger's Syndrome. Ellen Franzone is the CESA 6 Allies in Autism Education program coordinator. She previously worked as the site coordinator for the National Professional Development Center on ASD at the Waisman Center, UW Madison.

May 15, 2014: Trauma-Informed Care and Education

Dr. Sarah Arnold will continue her conversations with the school psychologist network around mental health issues and counseling strategies in the schools. This year, Dr. Arnold will focus on trauma-informed care and the implications for school staff.

Presenter: Sarah Arnold, PsyD, is a psychologist with Doll and Associates, a service of Agnesian Healthcare, Fond du Lac. She is also the behavioral health consultant for the EC and 4K programs in the Fond du Lac School District.

Cancellation Policy: Any registration cancellation must be received 48 hours before the scheduled date for a refund to be issued. Because attendance at most sessions is limited, persons registering and not in attendance on the day of the session will be charged the full registration fee. CESA 6 reserves the right to cancel any session due to insufficient enrollment. Participants will be notified by email or phone if a cancellation occurs.
