Question - *Do you want to easily create and deliver targeted video tutorials to your students to enhance, extend, and enrich your curriculum and their learning?*

Answer - *Yes, then register for this CESA 10 workshop via <http://www.myquickreg.com/>*

What will I do at this workshop?

1. Record/store/retrieve short instructional video(s) through *Camtasia Relay/Ensemble/Moodle*.
2. In your *Moodle*, frame those instructional videos within assignments, assessments, discussion, reflection ...
3. **You must be a confident Moodle user to attend.**

IMPORTANT → What participants need to bring to this workshop ...

1. Laptop (Windows or Mac) with a web-cam & *Camtasia Relay* software (*Camtasia Fuse* on an iPad, iPhone, or Android phone/tablet will only record through the camera, NOT record the desktop). So far, only on Windows or Mac laptops, will *Camtasia Relay* record both camera and desktop.
2. Download *Camtasia Relay* software here. <http://www.cesa10.k12.wi.us/index.php?Prog=SDocument&Task=Init&ID=129>
3. Ideas for short instructional videos that will benefit your students.
