Using Technology in Transition

Wednesday, October 30th, 2013; 5:00 pm—7:30 pm
Cooperative Educational Service Agency #4 (CESA #4)
923 East Garland Street, West Salem, WI 54669

An exciting night for parents and transition-aged students 14-21 years old!

Come and hear what families and students need to know about finding success with employment and education after high school. You'll hear technology strategies students and families can use now in middle and high school to prepare for life after school high. Find out that technology isn't that "spooky" after all!

Dinner is provided for all attendees.

Reserve your seat (and dinner) by registering online at:
