

Integrated Networking Sessions & Technical Assistance

Lynn Johnson, Peg Mazeika & Rachel Saladis
Regional Technical Assistance Coordinators

Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support

Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin Rtl Center and Wisconsin PBIS network technical assistance coordinators will facilitate a series of interactive full-day sessions that support implementation of an integrated PBIS/Rtl System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

Who Should Attend:

District administrators, principals, Rtl coordinators, PBIS and content area coaches and educator leaders committed to implementing an integrated multi-level system of support that addresses behavior and academics

Outcomes:

- Connect stakeholders
- Encourage collaborative learning
- Investigate strategies to integrate Rtl for academics and behavior (PBIS)
- Continue to develop schools' implementation of multi-level systems of support
- Gather resources and model processes
- Discuss technical and adaptive changes

What to Bring:

- SIR/SAS/BOQ data or login information
- School action/improvement plan
- Laptop
