### Description

This full day of professional development for Title 1 teachers will be divided into four parts. In the morning, we will check in on the following compliance topics so please bring your Monitoring Binders. If you have information/plans regarding any of these topics please be prepared to talk about them:

- Title 1 teaching schedules,
- The school professional development plan aligned to the school's Needs Assessment,
- The Title 1 program and how it is aligned to the school curriculum,
- Plans for parent involvement,
- Connection to private schools.

The morning will conclude with dialogue around Assessment Binders. Please view the **sample** video on Live Binder and if you would be willing to share your organizational system please know you are welcome to do so. The Live Binder link to watch your video is: <http://www.livebinders.com/play/play?id=1009628>

The afternoon will begin with a book discussion of chapters 1-3 of *Apprenticeship In Literacy*. Please come ready to discuss your "take-aways" or questions. We'll follow with videos that demonstrate teaching for transfer.

The afternoon will conclude with a 45 min. discussion on a topic chosen by consensus. A survey monkey link is included in the registration process.

Please bring:

- Monitoring Binder
- *Apprenticeship in Literacy text*

### Objectives

- We'll use our collective knowledge to explore efficient assessment organizational systems that help us use assessment to drive instruction
- We'll use our book study to develop a shared understanding of learning theories and practices that accelerate student achievement.
- We'll dialogue around the issues facing the greatest needs of the group.

### Who should attend?

- Title 1 Quality Program Support Members who are interested in the day to day instructional concerns facing Title 1 teachers. The first 90 min. may also be of interest to members in charge of the Monitoring Binder for the school/district.
