

WISExplore (WISEdash / MDAT) Training

Monday, October 28, 2013

Eric Larsen, Presenter

Purpose

WISEdash and other state data tools offer new opportunities to enhance data inquiry for educators. Bring your school improvement team to participate in this training using the new WISExplore inquiry process with state data indicators for your school. This hands-on training will enhance your skills with “WISE” data tools as they inform your schools’ improvement direction.

Participate in a guided process to ...

- Use state data tools and the WISExplore process
- Explore and analyze achievement, growth, attendance, gaps, post-secondary and other state-available data to the student detail level
- Determine data questions, document data findings, and formulate data inferences
- Inform the school improvement process, with connections to annual goals, AMOs, SLO focus areas and strategic action plans

Requirements:

- WAMS ID and Password
- WISEdash and MDAT access
