“CESA 10 B&G meetings provide the latest information on a wide variety of topics and provide a great opportunity to talk with other facility managers which is very helpful and a great deal for the price.”

*Craig Chafer
Building and Grounds Director
Birchwood School District*

About C·E·S·A¹⁰

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce energy project costs, become more energy efficient, and provide safe and healthy school environments. CESA 10 is actively looking for partnerships for its Energy Management and Performance Contracting service areas. CESA 10's Energy Management Service has saved over \$5 million in energy costs since program inception in 2004. CESA 10 is committed to helping the school districts of Wisconsin save millions more in energy and facility project costs moving forward. For more information on CESA 10's services including Energy Management Services, Owner's Representative Services, Performance Contracting, and Environmental Health and Safety, call 888-947-4701 or visit www.cesal0.k12.wi.us/fm.
