

CESA 10, DPI, & WIDA Present:

Meeting the Needs of ALL Learners:

Making Content Standards Accessible
to Academic Language Learners

December 2, 2013

8:00am - 4:00pm

CESA 10 Teleconference Center

Struggling to make a connection between content standards and language development standards?

In this interactive workshop, participants discover the structure of the Common Core State Standards for English Language Arts, and how the vertical learning progressions can be used to provide targeted instruction to accelerate academic achievement for ELLs.

Using the Universal Design for Learning framework, participants engage with a process for making content standards accessible to all students.
