

Data Integration & Analysis

Integrated Networking & Technical Assistance

Presented by: Rachel Saladis, Lynn Johnson, Peg Mazeika, Kathy Myles
Regional Technical Assistance Coordinators

Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support

Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin RtI Center and Wisconsin PBIS network technical assistance coordinators will facilitate a series of interactive sessions that support implementation of an integrated PBIS/RtI System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

Date: February 27, 2014

9:00-3:30

Who Should Attend:

District administrators, principals, RtI coordinators, PBIS and content area coaches and educator leaders committed to implementing an integrated multi-level system of support that addresses behavior and academics

Outcomes:

- Connect stakeholders
- Encourage collaborative learning
- Investigate strategies to integrate RtI for academics and behavior (PBIS)
- Continue to develop schools' implementation of multi-level systems of support
- Gather resources and model processes
- Discuss technical and adaptive changes

Two breakout sessions available in the afternoon

- PBIS Team Structure
- Academics Team Structure

Registration Fee:

\$ 65.00 per person per session

Location:

CESA #2
1221 Innovation Drive
Whitewater, WI 53190
