iPads for Higher Level Thinking Skills –  
Sue Gorman, Apple Distinguished Educator,  
Racine Unified School District (A.M. Session)

Discover Apps used to encourage students who are deep thinkers, creators and collaborators. These apps will connect to the various stages on Bloom's continuum of learning.

Google Apps for Higher Level Thinking Skills - Brian Scheibach, Google Certified Trainer, CESA 5 (P.M. Session)

Brian Scheibach will share how Google Apps can be used to engage learners in collaboration and critical thinking. Topics will be discussed such as flipped learning, using Google Forms for defining student groups (entrance/exit cards), and more.
