12:15 - 2:00 p.m.	<p>Differentiated support session for new EPICs ~ MyLearningPlan OASYS Essentials & Networking Lunch</p> <p><i>Paula Walser & Jo Ann Hanrahan CESA 6 Effectiveness Project</i></p>		

EPICs will have the opportunity to choose workshops that best suit their needs in supporting the Effectiveness Project (EP) in their district. The morning will be devoted to workshops based on regional feedback and “must knows” for successful ongoing EP implementation.

Dates for 2013-14 EPIC Meetings

- March 10, 2014
- May 6, 2014

Welcome and Updates

Join us for the latest information: EP video, Wisconsin Educator Effectiveness System Funding, MLP-OASYS ELEVATE evaluator certification/Formative Calibration Training, and professional development opportunities that support EP implementation.

MyLearningPlanOASYS

The focus for this session will include a conversation around updates to the documentation log, evaluator uploads aligned to standards, and the use of web-based artifacts. This session will conclude with Open Café for questions and sharing among districts.

“Give One, Get One”: EP EPIC Sharing Session

Educators are doing surveys, goal setting, documentation logs - uploading artifacts and writing SLOs in this pilot year with EP. This session will give EPICs an opportunity to share their great ideas for how they are implementing EP, learning the process, and training and supporting teachers. Come to the session prepared to “Give One” (or more ideas) and “Get One” (or more ideas) to support your district’s implementation of EP.

Goal Setting: Guiding those you support through the Self-Assessment of Professional Practice and SLO goals setting process.

How do evaluators and leaders guide teachers in the completion self-assessment and goal setting that maximizes an understanding of the standards and indicators? Participants are invited to share examples of Self-Assessment of Professional Practice and student/program goals to further clarify how reflection and the SLO selection and approval process contributes to student and school success.

New EPIC Support MLP-OASYS 101

The afternoon is devoted to new EPICs that would like the basics of MLP-OASYS and an opportunity to network during lunch.
