CESA 5 is recruiting Grade 8-12 math teachers for work with the College and Career Readiness Standards.

Selected teachers will develop the curriculum (assessments & skills practice) aligned to the College and Career Readiness Standards for pre-algebra through pre-calculus: Basic Operations & Applications; Probability, Statistics & Data Analysis; Numbers: Concepts & Properties; Expressions, Equations & Inequalities; Graphical Representations; Properties of Plane Figures; Measurement; Functions.

The teams will design practice and assessment problems that are aligned to the 126 College and Career Readiness Math Standards. Districts agreeing to pilot the curriculum will receive access to the curriculum developed for the 2013-14 school year.

Teams will be selected based upon grade levels and location. Participants must be available during all the required work days.

Facilitators: Paul Frank (Rosholt Math Teacher), Rebecca Brink (Necedah Math Teacher) & Julee Dredske (CESA 5 Curriculum Specialist)

Day 2, June 23	Review of the ABD Framework/Assign Teams/Team Work Day
Day 3, June 24	Team Work Day
Day 4, June 25	Team Work Day
Day 5, June 26	Team Work Day - Final Work Due

Selected teachers will receive \$400 - payment made upon completion of project deliverables by June 2013.

Interested teachers should register at www.myquickreg.com. Hurry! Only 20 teachers will be selected for this venture. Don't miss out on this opportunity to ensure your students are prepared for the next generation of assessment in 2014-2015.
