SMART Board "Refreshare"

Register through http://www.myquickreg.com/

Workshop is for educators who have been using SMART Boards with their students and want to:

1. Refresh and extend their skills through demonstration and practice.
2. Learn about new developments in recent major software upgrades
3. Share their best practices with others.

Participants need to bring a laptop with wireless capability and loaded with the current version of SMART "Notebook" software.
