

CESA 6 Instructional Services and the Learning & Assessment Center Present:

STAR™ Assessment Data Training

Tuesday, December 17, 2013

Renaissance Learning™ Professional Development Data Team

Purpose

Come join us to take a close look at what your students' STAR™ Assessment data is communicating about your grade's and / or school's instructional programs and intervention strategies. Professional Development Data Team members from Renaissance Learning™ will be training CESA 6 school-district data leaders and teachers to interpret the STAR™ Assessment data. You will then be able to use this information to evaluate programming and inform data-driven decisions to improve student learning. Educators will be trained on new reports that will help estimate a student, class or district's level of mastery on Common Core State Standards.

Who Should Attend?

- District / School Data Teams
- District / School Data Leaders
- District / School Assessment Coordinators

Requirements:

Bring access to your school districts' STAR™ Assessment data.

For additional information contact:

Eric Larsen, Coordinator of School Accountability
elarsen@cesa6.org; 920-236-0529

Cancellation Policy: Any registration cancellation must be received 48 hours before the scheduled date for a refund to be issued. Because attendance at most sessions is limited, persons registering and not in attendance on the day of the session will be charged the full registration fee.

CESA 6 reserved the right to cancel any session due to insufficient enrollment. Participants will be notified by email or phone if a cancellation occurs.
