# Chrome & Google Docs in the Classroom

... for all educators

Tuesday, January 14 – Day 1

AND Wednesday, January 22 – Day 2

OR

Wednesday, February 12 – Day 1

AND Wednesday, February 19 – Day 2

AT

CESA 10 Teleconference Center

9:00 AM – 3:00 PM

This is a two-day workshop; one graduate credit is optional at participant's expense (Viterbo University, \$110) with participation and additional project.

Participants in this workshop will explore these components of Google Docs: Word Processing, Spreadsheets, Presentations, and Forms. Emphasis will be on how these applications are like Microsoft Office and how they are different, with special emphasis on the collaborative opportunities in Google Docs. Participants will also learn how to import existing documents (such as Microsoft Office) into Google Docs and export them in various formats as well as features, apps, and extensions in the Chrome Browser

***Please register for each day separately. Participants should bring a laptop, Chromebook, or netbook (not an iPad) with the Chrome browser installed, and their school Google email and password. Lunch will be provided.***
