Participants will network with other coaches to learn and discuss the perceived and actual roles of PBIS coaching, review the differences between internal and external coaching roles, become acquainted with PBIS assessment tools, and understand the foundation pieces of the Tier I PBIS framework as well as how to lead their building team through Tier I Team Training. Coaches will learn how to identify strengths and priorities based on their building self assessment surveys, and how to create an action plan to be utilized by their building PBIS teams in training and beyond. The specific content of this training will focus on:

- ◆ Define the coaches roles, functions, outcomes, and competencies
- ◆ Understand system assessments
- ◆ Gain an understanding of team roles and functions
- ◆ Understand the importance and key features of Tier I training components

Target Audience

Internal coaches at the universal level, external coaches, building principals. Team members should NOT attend this session.

Preparation

Participants should bring district-wide data such as:

- ◆ Discipline, achievement and attendance data
- ◆ School Improvement Plan
- ◆ District or building vision or mission statement
- ◆ Building expectation material (if they exist such as from TRIBES, CHAMPS, Responsive Classroom, etc)

Participants **MUST** bring a laptop or similar device with USB drive
